Rent the Chicken Program

We are EGG-cited to bring the Rent the Chicken Program to our Summer Camp this year. We are looking forward to:

- teaching the kids about agriculture and where their food comes from
- giving them responsibility for caring for the animals in a low-risk situation
- giving the kids the opportunity to try this safely without a family commitment

More information about this program can be found online at www.rentthechicken.com

Please Note: All field trips, assemblies and activities are subject to change due to weather or any unforeseen circumstances.
The required Jackson Child Care Academy Permission for Trips form must be completed in order for your child(ren) to attend field trips.
